LRMFA is celebrating the second full week of April as National Public Safety Telecommunicators Week. This week is celebrated annually, and honors the thousands of men and woman who respond to emergency calls, dispatch emergency professionals and resources, and render life saving assistance to the world's citizens. Join us for an open house and tour of our emergency communications center, emergency response vehicles, and mobile emergency response command post. This is a great opportunity to meet the dedicated professionals at LRMFA. Light refreshments will be served.
