2006 association meeting dates & locations distributed to all

Celina from Sanbornton volunteered to make 37 phone calls to departments two weeks in advance in an effort to boost attendance.

Celina, Janine & Rick Heinis to form a committee to research history of LRMFAA.

Deputy Lockwood to provide training for March meeting.

Dave Parker needs information for website, President Maheux & Deputy Lockwood will work on this.

Discussion on bringing new apparatus to an upcoming meeting

LRMFAA MEETING MINUTES 01-21-06 @ COMMUNICATIONS CENTER Cont.

Deputy Joslin from Meredith discussed pending legislation on protecting Fire/EMS personnel called out for any task force activations. He feels this bill will pass. Similar to National Guard Protection already in place.

Louis Brunelle talked about the portable radios being issued by the State & that the first 48 channels are not coming through programmed. Deputy Lockwood believes that the Communications will be receiving software & kits needed to program these & can assist member departments with this.

Ideas for training at upcoming meetings:

Search & Rescue K-9

Mt. Washington Observatory Weather observer

Gas Meters & Thermal Imaging Camera demos

NH COOP Program on "Fires & wires"

Changes in Lakes Region Mutual Fire Aid

Meeting adjourned at 21:06 hours.

Respectfully submitted,
K.G. Lockwood
For Dave Paquette
