

# NH Protocol Rollout

## Please read the following carefully

- The NH Patient Care Protocols, Version 7 will be effective on January 1, 2018.
- The Rollout is open now to prepare you for the new protocols.
- After January 1, 2018, only the NH Patient Care Protocol, Version 7 Protocol Exam and certificate will be accepted for licensure.

## Protocol Rollout Instructions:

1. Log into <https://nhoodle.nh.gov/ola/> (Google Chrome or Firefox are the preferred browsers, do not use Internet Explorer)
2. Select: eProEx - Electronic Protocol Exam
3. Select "ENROLL ME NOW" This will take you to our online application. You MUST fill out the online application in order to receive your enrollment key to access the Protocol Rollout.
4. Once you completed the online application the Enrollment Key will be emailed to you. Check your inbox, spam and trash filter for this email.
5. Proceed to the Protocol Rollout and choose your licensure level.
6. The Protocol Rollout will bring you through Updates, Education, New Protocols and a Protocol Exam.
5. After successful completion of the Protocol Exam you must complete a program evaluation in order to release your completion certificate.
6. Print your certificate and provide copies to your EMS Unit leader.

For those wishing to do group Protocol Rollouts please contact Rachel Heslop for instructions mailto: [rachel.heslop@dos.nh.gov](mailto:rachel.heslop@dos.nh.gov).
